**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The fewer providers, the more they will control the cost. The more competition, the better it is for the customers, the better the service. With less competition the more we are at the mercy of just those 1 or 2 providers. We should all have choice for our providers, competition will also contribute to more internet access.
